

UPTIME[™] ASSURANCE

ELGi designs quality into every compressor. We are dedicated to building machines that run cooler, cleaner, and longer... that are easy to service... with longer service intervals.

*Here's where we back our quality pledge and further remove your risk with the most comprehensive, worry-free assurance plan in the industry. ELGi offers industry-leading warranties, including lifetime air end warranties on select products. And if there's ever an issue, we will have your compressor up and running within **48 hours**. Our partnership never ends.*

48-HOUR UPTIME ASSURANCE COVERAGE

ELGi commits to ship replacement parts within 24 hours of notice of product failure during standard business hours (not including weekends and holidays) for a product covered under ELGi's Standard or Extended Warranty.

If the ELGi compressor is non-operational within 48 hours of notice of product failure due to lack of replacement parts, ELGi will provide reimbursement for air compressor rental costs as outlined below.

Downtime associated with routine maintenance or replacement of out-of-warranty components is not eligible.

48-HOUR UPTIME COVERAGE PERIOD

1-year Bumper-to-bumper with Standard Warranty: Covers replacement parts and rental costs for failures or defects on all components, excluding consumables (filters, oil, etc.) and oil separators for 12 months from the date of start-up or 18 months from the date of shipment from an ELGi warehouse, whichever occurs first.

5-year Major Components with Extended Warranty: Covers replacement parts and rental costs for failures or defects on major components as defined as air end, main motor, cooler, and tank for 60 months from the date of start-up or 66 months from the date of shipment from an ELGi warehouse, whichever occurs first.
